Will the Minister of HEALTH AND FAMILY WELFARE be pleased to state:

(a) the aims and objectives of Rashtriya Bal Swasthya Karyakram (RBSK) along with its implementation status across the country; and

(b) the number of children who have received secondary and tertiary care along with the numbers of children screened and referred to health facilities for treatment, State/UT-wise?

Answer

THE MINISTER OF HEALTH AND FAMILY WELFARE
(SHRI JAGAT PRAKASH NADDA)
(a): Under National Health Mission, the Government of India is implementing Rashtriya Bal Swasthya Karyakram (RBSK) for screening of all the children from 0-18 years of age including school children for 4 D"s i.e. defects, Deficiencies, Diseases, and Development delays including disability. The aim of the programme is early detection and management of the 4Ds prevalent among children.

(b): It is proposed to cover 27 crores children in a phased manner. Children identified with these conditions are provided free treatment including surgery. At present 32 States/UTs of the country are implementing this initiative. The state-wise/ UT wise physical achievement as reported by State/UT is at annexure.
